3. All medications, prescription and non-prescription

All spending money must be deposited with the business manager. Expenditures are tracked daily and any remaining money will be returned at the end of camp.

We recommend \$25-\$30.

All medications must be turned into the nurse. Prescription medication must be in the original bottle and labeled by the pharmacist with doctor's instructions. All medications will be dispensed by the nurse. Over-the-counter medications will be available.

CAMP MISSIONARY

This year we will again be supporting the African Children's Choir with a special love offering from our campers and staff.

If you did not indicate a donation during your online registration, please encourage your camper to be thinking about what kind of love offering he or she can bring to camp. Contributions will be accepted from Tuck accounts and/or from cash donations upon arrival or departure.

CAMP PHOTOS

All-camp photo (all campers and staff) 8x10 for \$5.

Cabin photo (campers with their counselor) 5x7 for \$3.

Campers will have the option to purchase these photos during registration, if not already purchased online.

PHONE CALLS / CELLPHONES

We have found it best for campers not to receive or make phone calls. Please be assured we will not hesitate to call you if necessary. If you have an emergency, please call the camp phone at (309) 258-7574.

PLEASE DO NOT SEND A CELL PHONE WITH YOUR CAMPER.

Camp is a place for campers to unplug and connect with each other, with nature, and with Christ. Cell phones found with campers will be stored with the business manager and returned at the end of camp.

It's always fun to get mail at camp.
